SEALED TENDERS, marked "Tender for Bridge Project 928—Eagle Bluffs Structure, Contract 1: Superstructure," will be received by the Department of Highways at the Parliament Buildings, Victoria, B.C., up to 2 p.m. on Wednesday the 1st day of May 1974, and opened in public at that time and date. Tenders must be delivered only to Room 237, Douglas Building, Victoria, B.C., which is open from 8.30 a.m. to 12 noon and 1.10 p.m. to 5 p.m., Monday to Friday, except holidays.

The work to be carried out under this contract consists of the supply, delivery, and erection of prestressed-concrete box-girders. Also included is construction of a reinforced-concrete deck.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 108, 501 West 12th Avenue, Vancouver 9, B.C. (telephone 879-7531), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways "General Specifications for Highway Construction." If the bidder does not already have a copy of these specifications, one may be obtained from the Provincial Government Plan Viewing Room, Vancouver, or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond or a certified cheque in an amount equal to 10 per cent of the tender price. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of tender. If a bid bond is supplied, this bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. In the event that the successful bidder supports his tender with a certified cheque, but fails to produce the required performance bond and labour and material payment bond within a period of 14 days from the date of issuance of notice that his tender is accepted, the Minister of Highways shall have the right to forfeit the tender deposit in its full amount or to the extent of the difference in cost between the bidder's tender and the accepted tender, whichever is the lesser.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended, or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the

necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

AND THE CORPORATION OF THE DIS-
TRICT OF SURREY, having its Municipal
offices in the Municipality of Surrey in the

of those certain parcels or tracts of land and
premises, situate, lying, and being in the Muni-

by the Grantee to the Grantor (the receipt
whereof is hereby acknowledged), and for other

ture shall be construed as a covenant running
with the land.

The Grantor hereby agrees that for the pur-
poses of installing the works initially, the
Grantee may enter upon an additional twenty
(20) feet of the Grantor's property adjacent to
the right-of-way.

The Grantor hereby covenants and agrees with
the Grantee that the Grantor will not erect,
place, or maintain any building or structure on
any portion of the right-of-way.

And that the Grantor will not do or knowingly
permit to be done any act or thing which will

in writing of the Grantee, provided that such
consent shall not be unreasonably withheld:

And that the Grantor will not diminish the
soil cover over any pipe installed in the right-of-
way without the consent in writing of the
Grantee, provided that such consent shall not be
unreasonably withheld:

And the Grantor covenants and agrees with
the Grantee that any and all chattels and fixtures
installed by the Grantee on the said right-of-way

and (or) replacement and renewal of the
said works in a proper and workmanlike
manner so as to do as little injury as pos-
sible;
- (e) will repair any damage to the right-of-way
occasioned by its use of the right-of-way.

It is mutually understood, agreed, and declared
by and between the parties hereto that the cove-
nants herein contained shall be covenants run-
ning with the land and that none of the cove-
nants herein contained shall be personal or bind-
ing upon the parties hereto, save and except
during the Grantor's seisin or ownership of any
interest in the right-of-way and with respect
only to that portion of the right-of-way of which

have an interest, but that the land shall, never-
theless, be and remain at all times charged there-
with:
